

Stay safe out there.

Utilize Campus Resources - Learn the available support services, including blue light phones and campus escort services.

Get to Know Campus Safety Personnel - Campus security is equipped to handle emergencies and provide assistance.

Trust Your Instincts - If you feel unsafe or even just uncomfortable, trust your gut and get out of the situation as quickly and safely as possible.

Stay Connected - Be sure to regularly stay in touch with friends, family, and roommates, on and off campus.

Travel in Groups - There is safety in numbers, especially at odd hours.

Practice Safe Socializing - Always arrange for a designated driver or alternate transportation.

Plan Your Route - Choose well-lit and populated paths and consider walking in groups during late hours.
